

Householder Application Form

APPLICATION REFERENCE	FAKE/2026/0767/FUL
SITE	9 Market Lane, Oldbridge, South Donshire, ZZ74 6NP
DOCUMENT TYPE	Application form

APPLICANT AND AGENT

Applicant: Private Applicant. Agent: Synthetic Planning Services. Contact details are intentionally withheld and replaced with generic placeholders.

The application is a householder planning submission for a fictional Doncaster-area property. No real applicant, agent, address or contact data is used.

SITE ADDRESS

9 Market Lane, Oldbridge, South Donshire, ZZ74 6NP

Site context: two-storey building within a fictional conservation area frontage.

PROPOSAL

Replacement of defective timber sash windows with heritage-style sliding sash units.

This synthetic version is marked as a superseded submission for assessment use.

OWNERSHIP AND CERTIFICATES

The applicant is recorded as having served the appropriate fictional ownership certificate. Agricultural holdings, tenancy interests and public notices are recorded as not applicable for this synthetic exercise.

The proposal is not accompanied by real certificates, real signatures or real personal data.

SUPPORTING INFORMATION

Submitted material comprises existing elevations, amended proposed elevations, site/location plan and a window information sheet. The drawings identify each affected opening, replacement sash proportions, glazing-bar pattern, reveal depth, colour finish and materials.

The proposal is presented as a like-for-like style window replacement package for a traditional frontage. Existing openings are retained and no extension, new access or change of use is proposed.

HERITAGE AND DETAIL INFORMATION

The window schedule records slim-profile heritage-style sliding sash units with vertical emphasis, matching reveal positions, muted finish and no external shutter boxes or projecting vents on the principal elevation.

The amended elevation notes address proportionality, alignment with neighbouring openings and retention of the existing masonry surrounds.
