CONSULTATION RESPONSE

Consultee: Design and Conservation. Application reference: FAKE/2026/0767/FUL. Site: 9 Market Lane, Oldbridge, South Donshire, ZZ74 6NP.

This response is fictional and does not represent the view of any real statutory consultee, parish council, town council, service area or public body.

COMMENTS

The conservation adviser has reviewed the submitted elevation and window details. The use of heritage-style sash proportions, vertical glazing bars and restrained colour finish is important to the appearance of the frontage.

Details should be installed in accordance with the submitted window schedule. External vents, projecting boxes or visually intrusive changes should be avoided on the principal elevation.

RECOMMENDED NOTES

Any standard informatives should be proportionate to the scale of the proposal. Separate consents may be required for building regulations, highway works, drainage connections or works affecting third-party land.
