Your reference Location (easting/northing) Created

You will need to do a flood risk assessment if your site is any of the following:

Your selected location is in flood zone 1, an area with a low probability of flooding.

Notes

The flood map for planning shows river and sea flooding data only. It doesn't include other sources

of flooding. It is for use in development planning and flood risk assessments.

This information relates to the selected location and is not specific to any property within it. The

map is updated regularly and is correct at the time of printing.

Flood risk data is covered by the Open Government Licence which sets out the terms and conditions for using government data. <https://www.nationalarchives.gov.uk/doc/open-government-licence/version/3/>
