

Householder Application Form

APPLICATION REFERENCE	FAKE/2026/0800/FUL
SITE	18 Willow Close, Northmere, South Donshire, ZZ14 2AA
DOCUMENT TYPE	Application form

APPLICANT AND AGENT

Applicant: Private Applicant. Agent: Synthetic Planning Services. Contact details are intentionally withheld and replaced with generic placeholders.

The application is a householder planning submission for a fictional Doncaster-area property. No real applicant, agent, address or contact data is used.

SITE ADDRESS

18 Willow Close, Northmere, South Donshire, ZZ14 2AA

Site context: detached residential dwelling in a Doncaster-style suburban cul-de-sac.

PROPOSAL

Single-storey front infill extension and single-storey rear extension with replacement roof over existing conservatory.

This synthetic form represents the current submitted application details.

OWNERSHIP AND CERTIFICATES

The applicant is recorded as having served the appropriate fictional ownership certificate. Agricultural holdings, tenancy interests and public notices are recorded as not applicable for this synthetic exercise.

The proposal is not accompanied by real certificates, real signatures or real personal data.

SUPPORTING INFORMATION

Submitted material comprises a location and block plan, existing plan and proposed plan. The proposed drawing identifies the front infill element, rear extension, replacement tiled roof over the existing conservatory, window positions, scale bar and key dimensions.

The proposal is presented as a modest domestic extension package. Materials are noted as matching the host dwelling, parking is unchanged and no new side-facing habitable-room windows are proposed.

DESIGN, AMENITY AND ACCESS DETAILS

The single-storey additions are shown below the main eaves, with matching brickwork, roof tiles and rainwater goods. The rear extension remains within the domestic garden area and retains an indicative rear garden depth of approximately 8.6 metres.

The drawings identify the retained driveway, existing building line, neighbouring boundary relationship and the absence of new side-facing habitable-room windows.
