DOCUMENT TYPE	Consultation response

CONSULTATION RESPONSE

Consultee: Highways. Application reference: FAKE/2026/0800/FUL. Site: 18 Willow Close, Northmere, South Donshire, ZZ14 2AA.

This response is fictional and does not represent the view of any real statutory consultee, parish council, town council, service area or public body.

COMMENTS

The submitted block plan has been reviewed in relation to access, parking and manoeuvring space. The scale of the works is domestic and would not materially intensify use of the local highway network.

Where frontage parking or a vehicle crossing is involved, the applicant should ensure that vehicles can stand clear of the footway and that any works within the highway are undertaken through the highway authority's separate process.

No further highway information is requested for this synthetic consultation response.

RECOMMENDED NOTES

Any standard informatives should be proportionate to the scale of the proposal. Separate consents may be required for building regulations, highway works, drainage connections or works affecting third-party land.
