DOCUMENT TYPE	Consultation response

CONSULTATION RESPONSE

Consultee: Highways. Application reference: FAKE/2026/0980/FUL. Site: 35 Kingsway Road, Rossmere, North Doncaster, ZZ85 2QR.

This response is fictional and does not represent the view of any real statutory consultee, parish council, town council, service area or public body.

COMMENTS

The submitted site plan shows the vehicle crossing, frontage hardstanding, footway edge and vehicle standing envelope. The parked vehicle position is shown wholly within the domestic frontage.

The crossing should be formed through the highway authority's separate technical process. Surface water should not discharge across the public footway.

Visibility for pedestrians is shown indicatively at the footway edge and the crossing width is proportionate to a single domestic frontage.

RECOMMENDED NOTES

Any standard informatives should be proportionate to the scale of the proposal. Separate consents may be required for building regulations, highway works, drainage connections or works affecting third-party land.
