Good Afternoon Charles, Thank you for consulting Highways Development Control on this application - 97.61549.FUL - Conversion of C3 dwelling to C4 5 bed HMO. Location of application - 68 Brookfield Lane, Hexthorpe, Doncaster, ZZ54 0FT. Given the location of the proposed development & the fact on street parking is available in and around the development, Highways have no concerns over the development. I would seek the views of our parking services team to make sure they have no concerns over parking at the moment. Kind Regards <redacted_name> <redacted_name> Highway Development Control Officer Working Days- Monday, Tuesday & Thursday
