CONSULTATION RESPONSE

Consultee: Highway. Application reference: 99.53186.FUL.

The comments below relate to the submitted plans and supporting information.

COMMENTS

The submitted access, parking and manoeuvring arrangement has been reviewed in relation to the scale of the proposal.

Vehicles should be able to stand clear of the public footway, and surface water should not discharge onto the highway.

Any works within the highway would require a separate technical process.

RECOMMENDED NOTES

Any technical details should be read alongside the submitted plans and supporting statements. Names and contact details are not reproduced.
