CONSULTATION RESPONSE

Consultee: Yorkshire Water. Application reference: 99.53186.FUL.

The comments below relate to the submitted plans and supporting information.

COMMENTS

Drainage information should demonstrate how surface water will be managed within the site.

Finished levels, foul drainage, exceedance routes and long-term maintenance should be coordinated with the submitted plans.

RECOMMENDED NOTES

Any technical details should be read alongside the submitted plans and supporting statements.
Names and contact details are not reproduced.
