

Synthetic householder drawing pack

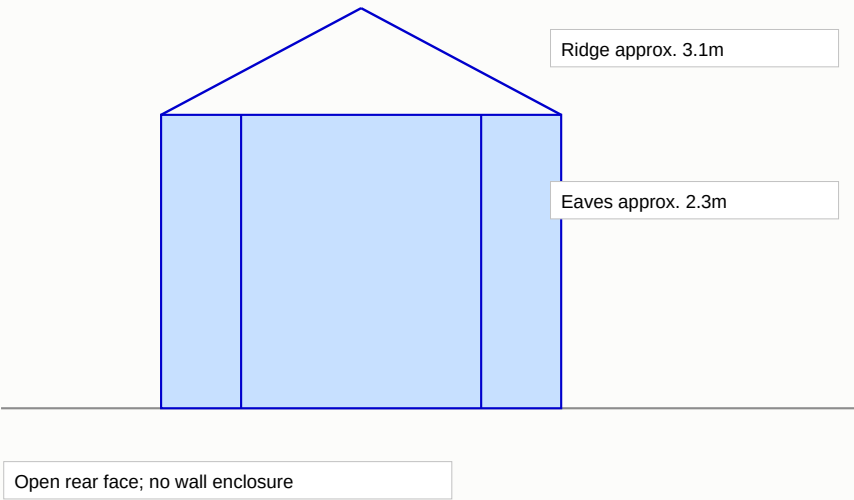

Pitched-roof car port, garage relationship, elevations and tree notes

Front and Side Elevation

Rear Elevation and Details

Drawing Notes

- Car port remains visually separate from the existing garage.
- Timber posts, pitched roof and dark rainwater goods are labelled.
- Front, side and rear elevations include scale, heights and material notes.
- Superseded drawings retain the same fictional site but show earlier proportions.

Legend

-  Application boundary
-  Existing building
-  Proposed/annotated works
-  Landscape/tree/drainage note
