DOCUMENT DETAILS

FLOOD RISK ASSESSMENT FOR

Proposed change of use of outbuilding and flat roof covered way:

20 Willowmere Road Doncaster Prepared: June 2025 Status: Issued for Planning

INTRODUCTION

1. Introduction

1.1 The site address is 20 Willowmere Road Doncaster

1.2 A planning and design consultant has been appointed to provide a Flood Risk Assessment (FRA) to accompany the planning application for a change of use of outbuilding to form a ninth bedroom with a covered way link to the main building.

FLOOD RISK ASSESSMENT

2. Flood Risk Assessment

2.1 The proposed development is to provide a change of use of outbuilding to form ninth bedroom with covered way link to main building

2.2 Guidance advises that the planning system should ensure that new development is safe and not exposed to unnecessary flooding by considering flood risk.

2.3 Guidance advises that the Environment Agency's indicative Floodplain Maps represent the best available current information on the extent of flood risk, but notes that these are only indicative and are based on the approximate event of floods with a 1% annual probability of flood occurrence for rivers.

2.4 According to the Environment Agency's Flood Plain Maps the site area is currently outside the area deemed at risk of flooding from rivers.

2.5 Environment Agency Floodplain:

CONCLUSION AND RECOMMENDATION

3. Conclusion and Recommendation

3.1 The FRA confirms that the proposed development is sufficiently far enough away from the flood risk source and therefore no additional measures are required.
