EXISTING SITE

The fictional cottage sits near a drainage channel and pumping station edge. The plot contains a driveway, lawn, retained trees and outbuildings shown on the site drawings.

DESIGN PROPOSAL

The proposal includes cottage refurbishment, a two-storey rear-and-side element, detached garage, access improvements, soft landscaping and drainage notes.

The plan drawings annotate finished floor level, existing footprint, proposed footprint, garage position, driveway turning head and private garden areas.

ACCESS, DRAINAGE AND LANDSCAPE

Access and egress are shown by arrows and vehicle tracking envelopes. Permeable surfacing, drainage falls, planting beds and tree protection fencing are annotated for assessment use.
