TREE SURVEY SUMMARY

This synthetic tree survey records fictional vegetation only. It does not reproduce a real arboricultural report, photographs, surveyor details or land ownership information.

TREE SCHEDULE

- T1 Willow: retained beside drainage channel; indicative root-protection zone shown outside the main excavation area.
- G1 Conifer group: partial pruning noted for driveway visibility and construction clearance.
- T2 Maple: retained near the cottage garden, with no storage or level changes within the fenced protection zone.

PROTECTION MEASURES

Temporary protective fencing, no-storage zones and hand-dig construction notes are shown on the accompanying plan where relevant.
